How to use the EU COUNTRIES PASS:

The **EU COUNTRIES PASS** is a pass for self control of trips to other EU countries. To confirm the visit of a state fix a postal stamp from a post office in each country field. Postmark the stamp to authenticate. For registered participants (getting a badge in honour of having visited all 25 EU countries) some countries may require specific criteria for proofing the country visit (see project homepage).

Try to collect as many stamps as possible by visiting one EU country after the other.
